CSA NEWSLETTER

GOODNESS GROWS

Create. Cultivate. Thrive

COME SEE OUR BOARD MEMBER KITTY FROM 4- 7 PM ON THURSDAY TO PICK UP YOUR SHARE.

JUST A REMINDER

We'd love it if you would email or Facebook us about how you use your produce! Do you have favorite ways to use any share items? Have you created a dish you are excited about? Feel free to let us know anytime, even after the season draws to a close.

NOTE

What GG plans to harvest isn't always what can be harvested. Between the time the email goes out and when basket is packed, some substitutions may occur. So, please be ready for potential changes and enjoy the bounty of the fresh, and sometimes surprising, harvest!

If you realize you can't make it during pick up time, please let us know and we will gladly arrange a Friday pick up.

Call or text Rachel at (330) 853-3578

If you need to contact us about your share

RECIPES AND TIPS

TOMATOES

Tomatoes are warm-season perennial plant from the nightshade family. Tomatoes are grown widely as an annual for its edible, juicy red or multicolored berry fruits.

SALSA WITH TOMATOES, CILANTRO, AND RED ONION

QUICK ROASTED TOMATOES

RICH SWEETNESS MELON

The Rich Sweetness Melon is a rare, heirloom mini-melon. Growing to the size of a tennis ball or grapefruit it features a striking red-and-yellow striped rind and juicy, white flesh with a sweet tropical aroma reminiscent of cantaloupe and honeydew.
