Friend Spotlight

Bradly has been involved with Goodness Grows for 11 years. First as a volunteer and then as an employee. Bradley is very positive and a hard worker and loves working outdoors at Goodness Grows and at his home. His favorite jobs include mowing and weed whacking. Bradley works hard with his indoor assignments as well but they are not his favorite. Outside of work Bradley enjoys riding his 4-wheeler and his tractor. He loves plowing snow in the winter. His favorite color is blue and his favorite foods are TV dinners..

UPCOMING EVENTS

CSA Days

CSA is completed for the year. Thank you to everyone that helped support us. Keep watching in the spring to sign up for the 2027 season.

Hot Pepper Flakes

Last year a happy experiment turned into a customer favorite. We planted Cayenne pepper plants to keep the deer away from our gardens. Our cayenne plants were super successful and we had to figure out what to do with all our peppers. We dehydrated the peppers, ground them up, and made hot pepper flakes. This year we are adding Serrano peppers to the mix. We sell them at a cost of $8 for 5 ounces.

Canning for the Winter

After CSA is over, the rest of the vegetables and herbs we pick are either dried and sold or canned and used by us. This year we made tomato sauce, pizza sauce, pesto, and green salsa.

Ava loves picking fruit.

Apple Picking.

Columbiana Street Fair

Every year the Columbiana Street Fair has a very special day just for those with special needs. For a couple hours our friends and many other students and adults get to eat Legion Burgers or Hot Dogs, have a shaved ice treat, and get to ride all the crazy fair rides. Thank you American Legion for hosting this awesome event.
